July's picnic highlights

This Summer members of the club were challenged to turn a wooden flying disk (Frisbee). Member's that brought their disk with them to the picnic participated in a skills contest. The throwing contest comprised of three different challenges.

The first challenge was an accuracy throw, involving a large bulls-eye on the ground with three concentric circles. Each participant attempted to throw their disk into the center circle. The second challenge was a distance throw.

The third challenge was a short game of Frisbee golf. Chairs where used as holes that were setup around the property.

Prizes were awarded for the best overall score. I'm told the event was enjoyed by participants and spectators. First and second place winners each received a \$20 Rockler gift card.
