Woodworking Show

Once again we will have a booth at the Woodworking Show when it comes to Indianapolis this month. This is a great opportunity for us to introduce our club to thousands of woodworkers from the central Indiana area. They will be amazed when they see our well rounded skills on the lathe; as we will have several lathes set up with ongoing woodturning demonstrations throughout the weekend. Some of you have already signed up to man the booth. The signup sheet will be at this month's meeting. Please see if there is a time slot which you can fill.

January 18-20 (Friday 12-6, Saturday 10-6, Sunday 10-4) Indiana State Fairgrounds—Marsh Blue Ribbon Pavilion. ☞

January Meeting Demo

The demonstration at January's meeting will be presented by our club President, Tim Kennedy. Tim will be turning a multi-axis candle stick (see back page for picture). Tim will use a variety of tools and techniques, including between centers, four jaw chuck, Jacobs chuck, spindle gouge and skew. ☞
