

Be warned... It's *addictive!*

Whether you're just getting started with woodturning or are an old pro, you'll find something of interest in the CICA AW. Our member skill levels range from beginner to master turner, and we are always ready to answer your questions!

Come take a turn at the lathe and find out what this hobby is all about. The worst thing you'll do is make a fine piece of decorative firewood. More likely you'll make some fine friends.

Show-N-Tell time at a CICA AW meeting.

Turning wood ...and making friends.

The CICA AW gives us a place to exchange ideas, show off our turnings, ask questions, and generally spend time with other turners in a relaxed atmosphere.

If you complain that “My banjo was in a bind since the ways were filled with chips.”, we know what you’re saying! (And we won’t give you **that look**.)

We’re a bunch of people that love to turn wood. (Sometimes we even turn it into something recognizable...)

Come to our next meeting and see for yourself.

Local and national demonstrators show new techniques, with a video system to see all the action.

Membership Benefits

We have monthly demonstrations by both local and national turners.

Members receive an annual subscription to American Woodturner magazine in addition to copies of our monthly newsletter, *CICA AW Turnings*.

We also have a chapter library with many videos and books, which can be checked out by our members.

We have turning contests, show-n-tell, critiquing and advice, and, best of all, fellow turners full of experience. Learn from our mistakes and share your successes!

Come join us!

We usually meet on the second Sunday of each month at the Zionsville Boys & Girls Club. Meetings start at 2:00 P.M. (But check the website to make sure.)

We're on the web!

Directions

Come to the northeast side of Indianapolis; take either the Michigan street exit from I-465 or the 334 exit off of I-65 N.

Turn north from 334 in Zionsville by the Speedway Gas Station at the light (N 6th St). Follow this around, and we’re just past the high school in the Boys and Girls Club.

Please come to the rear of the building.

**1575 Mulberry Street
Zionsville, IN
46077**

Examples brought in by one of our talented demonstrators.
